Lotus v. Borland (1st. Cir. 1995)

Borland copied Lotus's menu command hierarchy "so that spreadsheet users who were already familiar with Lotus 1-2-3 would be able to switch to the Borland programs without having to learn new commands or rewrite their macros."

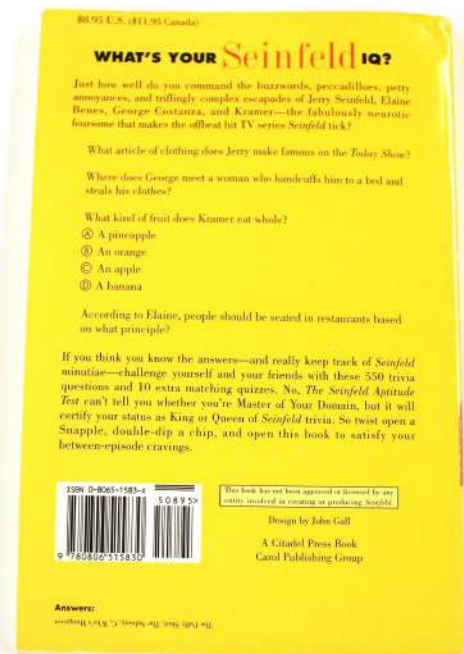

Did Borland infringe Lotus's copyright?

A. Yes
B. No
C. i.d.k.

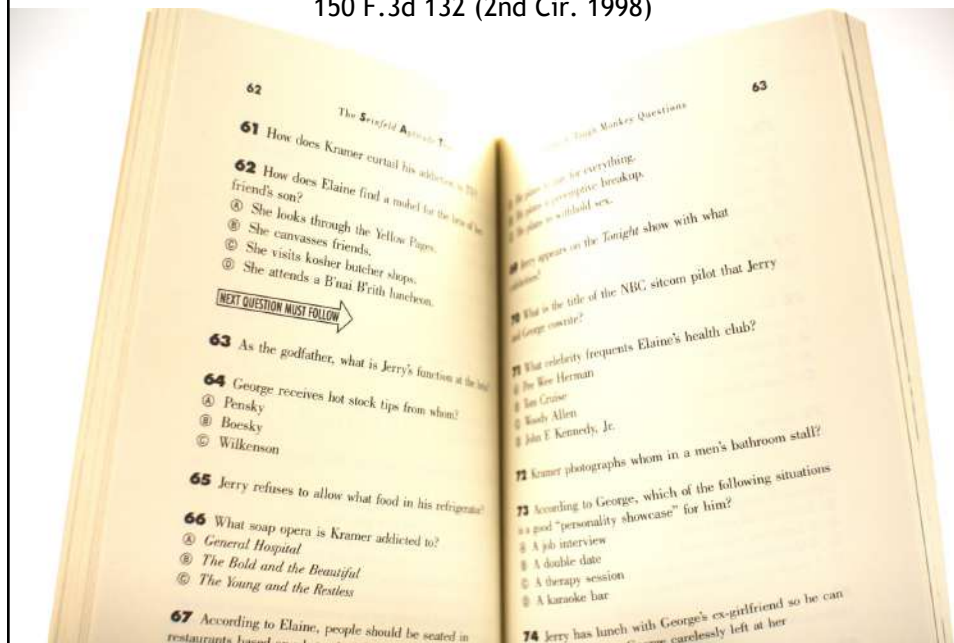

Castle Rock
 Entertainment Inc. v.
 Carol Publishing Group,

Castle Rock Entertainment Inc. v. Carol Publishing Group,
150 F.3d 132 (2nd Cir. 1998)

The Associated Press has sportswriters from various organizations rank college football teams and publishes the result as the AP Top 25 College Football Poll. Does AP have a copyright in the list of 25 teams such that unauthorized people cannot reproduce the list?

1. Yes
2. No

Does an association of universities and bowl game organizers need the permission of the AP to use the AP poll in determining who should play in the national championship game?

1. Yes
2. No

Steinberg v. Columbia Pictures (S.D.N.Y. 1987)

[Shown in class but omitted from this handout: Picture of rooftop bleachers just across the street from Wrigley Field baseball stadium as viewed from inside the stadium.]
